

## HSE - HEALTH & SAFETY POLICY

Coating Kings Limited is a company committed to the safety and well being of everyone involved in the business. Whether you work directly for Coating Kings Ltd or as a sub-contract to us, your safety is our top priority. Our safety Representative is (David Wyatt) and his phone number is **(07815044434)**

Health and Safety in our organisation starts from the top down and we encourage open communication between all members of the company when it comes to their safety. Safety in the workplace starts from the top down and management is fully committed to be continually improving our systems and processes. If any member of the company feels at any point that they are unsafe in the workplace, an open line of communication has been set up.

We as a company commit to maintaining a clean and hazard free workplace and to always always looking out for new hazards in the workplace. All members of staff and management are required to report any new hazards immediately. New hazards will be analysed and the appropriate action be taken company wide.

Coating Kings's health and safety procedures are audited Internally twice a year at minimum but should be continuously updated if new hazards are discovered to processes change.

Company Safety Representative Name: David Wyat

Company Safety Representative Phone: 07815044434

Today's Date: 1<sup>st</sup> June 2023

## Statement of Intent

Our Health & Safety Policy is to:

Prevent Accidents and cases of work related ill Health both in an office environment and on site when working with our customers, both directly and in indirectly.

Manage Health & Safety risks in all work place environments.

Provide Clear Instructions and information, as well as adequate training to ensure all employees are competent to carry out their work safely for both them and the customers we work for.

Provide Personal Protective equipment – PPE

Consult with our employees on matters of Health & Safety on a on going basis.

Provide and maintain safe plant and equipment – all electrical equipment used on site is PAT tested **quarterly**.

Ensure safe handling and use of substances

Maintain safe and healthy working conditions

Implement emergency procedures, including evacuation in case of fire or other significant incident.

All projects will have an individual Health and Safety manager present aware of risks and local hospitals / health centres in case of emergency.

The Policy is regularly reviewed.

David Wyatt – Director – 01 June 2023

## Responsibilities for Health & Safety

Overall and final responsibility for Health and Safety for Coating King Employees.

**David Wyatt – Director**

Day-to-Day responsibility for ensuring this policy is put into practice:

**David Wyatt – Director**

To ensure Health & Safety standards are maintained/improved, the following team members have responsibility for the following:

Risk Assessments - Safety – Consultation – Accident – First aid and work related health.

Maintaining equipment – emergency Procedures – Fire/evacuation

Supervision – Training

**David Wyatt – Director**

All Coating Kings Staff and **Sub Contractors** Should:

Co-operate with supervisors and managers on health & safety matters

Take reasonable care of their own Health & Safety

Report all Health & Safety concerns to a Senior member of the team.

## Arrangements for Health & Safety

### Risk Assessments

Coating Kings will complete relevant risk assessments and take action, Coating kings will review risk assessments when working habits and conditions change.

### Training

All Coating Kings Staff and sub contractors will be fully trained on equipment and application methods to make each application as safe as it can be.

We will provide PPE for each application – one sizes does not fit all.

Remote staff will also be updated.

### Consultation:

We will constantly update staff and subcontractors on safety matters as we review our health & safety.

### Evacuation:

Each project attended by Coatings Kings staff or Sub contractors will have planned escape routes for each project.

Routes in offices are tested quarterly

Coating Kings will work with and support our customers wherever possible with their own Health & Safety rules.

David Wyatt – Director 1<sup>st</sup> June 2023
