

Product Data Sheet

King Anti Graffiti

Product Code: CKG4CCAG128

Description – Used to protect a range of **non-porous** surfaces King Anti-graffiti is environmentally friendly in both design and for the surfaces it protects.

Paints/Pens/Poster Adhesives will simply wash off with very little effort with just soap and water in most cases where a harsher spray/adhesive is used environmentally friendly wipes or Gels can be used. There will be no need to use harsh chemicals and copious amounts of water to clean affected areas. No Ghosting will be evident on treated surfaces.

King Anti Graffiti is used for areas where Graffiti – Stickers and Posters – Paints and other contaminants are problematic on **Non-Porous Surfaces**.

Paints/Pens and Inks, Organic and inorganic staining will be easy clean once product is applied to treated surfaces.

Additional Benefits:

Once applied on most metals and powder coated surfaces King Anti Graffiti will bring the surface back to life saving thousands in costly replacements.

Treated Surfaces become Easy Clean- Both Hydrophobic and Oleophobic

Safe to the touch with Non-Leaching Technology offering protection from Viruses.

Tested to ISO21702: 2019

Showing a reduction of SARS-COV-2.

Treated Surfaces will have UV Stability.

Technical Data: Supplied on Request.
