

## Product Data Sheet

### King Anti Graffiti

**Product Code:** CKG1AGC18

**Description** – Used to protect a range of **porous** surfaces King Anti-graffiti is environmentally friendly in both design and for the surfaces it protects.

Graffiti Paints/Pens/Poster Adhesives will simply wash off with very little effort with just soap and water in most cases where a harsher spray/adhesive are used environmentally friendly wipes or Gels can be used. There will be no need to use harsh chemicals and copious amounts of water to clean affected areas. No Ghosting will be evident on treated surfaces.

King Anti Graffiti is used for areas where Graffiti – Stickers and Posters – Paints and other contaminants are problematic on Porous Surfaces.

Paints/Pens and Inks along with Organic and Inorganic properties – will be easy clean once product is applied to treated surfaces.

**Additional Benefits:**

Once applied King Anti Graffiti will bring the surface back to life saving thousands in costly replacements.

Treated Surfaces become Easy Clean- Both Hydrophobic and Oleophobic

Safe to the touch with Non-Leaching Technology offering protection from Viruses.

Tested to ISO21702: 2019

Showing a reduction of SARS-COV-2.

Treated Surfaces will have UV Stability.

**Technical Data:** Supplied on Request.

**Treated Surfaces:** Brick-Stone-Render-Wood

**Coverage:** 10M2 per Litre – Supplied in 5 Litre Drums

**Application method:** Mix well - Ensure surfaces are clean and dry. Using either a paint brush or roller apply a thick coat of product to the surface ensuring uniformed coating to all areas that require protection- ensure the product is as thick as possible without runs being present.

For surfaces that are likened to darken after application you can pre-treat the surface using a non-darkening sealer or water down PVA prior to application,

**Cure Time:** Surfaces will be touch dry in 2-3 Hours and fully cured in 24 hours.

**Warranty:** 10-15 years Years Minimum

**Maintenance:** Is Minimal, but when required a simple wipe down with water and a soft brush for general maintenance – but if there is a need to clean of Graffiti or Adhesives this can be done easily with warm soapy water and for more stubborn areas environmentally friendly Gels or wipes can be used – no harmful chemicals are required.

**Dangerous Goods:** King Graffiti is not listed as Dangerous Goods. – But does have warnings for health & Safety – PPE should be worn on application. See SDS Sheet for further information.

**Packaging:** HDPE/PET fully recyclable packing in 5 litre Drums

**Limited Warranty:** Coating Kings Ltd warrants that treated surfaces will be protected from Graffiti and Easy Clean for a minimum period of 10 years.

In case of the product not being applied correctly Coating Kings Warranty will be invalid. In Case of product failure that is deemed to be the fault of Coating Kings new product to cover the already treated Surface area will be supplied Free of Charge, no consequential costs of re application will be offered or paid.
