

## Product Data Sheet

### King Fabric with Antimicrobial

**Product Code:** CKG1GCLCAB65

**Description:** King Fabric is designed to provide Stain Repellent and Antimicrobial properties to your Textiles and leather Surfaces, is water based and environmentally friendly.

Offers long-term protection against Staining as well as making surfaces easy clean with the added protection of antimicrobial properties.

Water and Oils will bead on the treated surfaces and are easily wiped away or soaked up with paper towels this will reduce the need for deep cleaning and use of chemicals.

The Antimicrobial properties will add a level of Safety and security and is fully certified to.

**ISO 18184:2019** tests showed a reduction of **91.87%** 2 hours after application.

King Fabric will enhance the lifetime of treated surfaces and have a positive effect on the Environment by reducing the need for harsh chemicals, reduce water consumption as well as eliminate the need to replace damaged surfaces so quickly.

Independent tests carried out showed the product still working at full strength after 3 industrial wash cycles = to 15 standard wash cycles.

**Treated Surfaces:** Textiles – Leather – Fabrics

Great for high traffic - Furniture – Clothing and Health Care environments.

**Application method:** Spray Trigger Gun for Textiles – Shake the Bottle well prior to use, Spray directly onto the textile surface ensuring the surface is wet **but not** saturated.

For less porous textiles such as leather remove any excess product with a clean dry Micro Fibre Cloth.

**Coverage:** 10M2 per Litre

**Cure Time:** Surfaces will be touch dry in 1 hour and fully cured in 24 hours.

**Warranty:** 2 years with good maintenance

**Packaging:** HDPE/ PET fully recyclable packaging to meet the Environmental standards of Coating Kings - 5 Litre and 500ml Options available.

**Maintenance:** When cleaning treated Textiles just gently brush off any dust that may accumulate on the surface – this can be carried out with a Vacuum Cleaner or just simply wipe down with a warm wet Micro Fibre Cloth to keep that as new and clean finish.

**Dangerous Goods:** King Fabric is not listed as Dangerous Goods

**Packaging:** HDPE/ PET fully recyclable packaging to meet the Environmental standards of Coating Kings - 5 Litre and 500ml Options available.

**Limited Warranty:** Coating Kings Ltd warrants that treated surfaces will remain both Hydrophobic and Easy Clean for a period of 2 years for treated surfaces.
